5 Magical Rooms • 3 Curious Creatures • A Whole World to Explore

The Ant Hideout

Patterns, Tunnels, and Tiny Trails

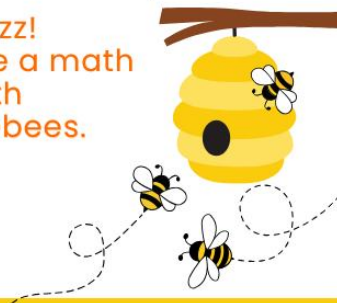

Build secret tunnels and
twisty mazes for ants.

The Buzzing Hive

Numbers and Honeycomb Math

Buzz buzz!
Become a math
whiz with
bumblebees.

Dinosaur Jungle

Stomp, Roar, and Discover

Track giant footprints,
dig for fossils, and
meet the mighty
dinos!

The Storytelling Cave

Where lights and shadows tell tales

Ants whisper secrets, bees
dance in the light, dinosaurs
cast giant shadows. Every
week a brand new story
unfolds.

The Explorer's Adventure

Build your own world

Lay the tracks, set the scene,
shape the story for dinos,
ants, and bees.
